'JOCK'S WAGGIN' TONGUE

Vol. 4 Thur Dec. 12th. No. 47
Jock McIntyre, Editor

Things are shaping up in the wheat situation that should give Champion another 3 bus. quota making it 15 bushels.

A tri-light would make an excellent Christmas gift for the whole family and save their eyes too

A business firm that doesn't please its customers is soon without customers, with this in mind we still want to be:—

Your Hardware Merchants

We have goods buys in a used heater, a cream separator, a cook stove and some real good snaps in radios. Wont you let us show them to you.

Will Warren has purchased a section of the O Davis land and rented the other section and a half. We wish you success Will in both your coming ventures.

Give a Coleman lamp this Christmas the \$2.00 trade in still applies.

The I O D E dance was a big success the only possible objection being that the strain seemed to be too great on Alex and Bob.

You get more in a Westinghouse radio.

Oscar and Faye Sletto celebrated their 24th wedding anniversary on December 6th, here's hoping you may celebrate 24 more at least and enjoy them.

Six good buys in used cars and trucks to choose from and there has been no increase in price either and all are ready to go, some are winterized.

Our sympathies to the late John Dougharty's family and friends.

Christmas suggestions from our store:—

Silverware, Dresser sets,
Pyrex ware, ash trays, irons
Watches, rifles, wagons,
Skates, sticks, pucks, razors.

Military Ball A Huge Success

Championites and a large number from surrounding town and districts enjoyed the most successful dance of the season last Friday night when the I. O. D. E. sponsored a Military Ball in aid of 2nd Battalion, Coy Calgary Highlanders in Champion. It is estimated that 175 couples attended.

Over a \$100 has been realized at this dance to pay the transportation expenses of Champion boys to Vulcan twice a week. A van has been hired for this purchase.

Fraser's Orchestra supplied the music with the assistance of a new P. A. system.

Snow—Rushfeld

A quiet wedding took place at the home of Mr and Mrs G Orr on Friday evening Dec. 6th when Miss Geraldine Rushfeld neice of Mrs G Crikstadd of North Dakota and Mr Clay Snow of Vulcan, were united in marriage by Rev. Peter Dawson. Miss Edna Orr and Mr Boyd McKay were the attendants. After the ceremony the bride and groom left on a short honeymoon.

DATE—December 31st
TIME—nine (9) bells.

'ITS' A DATE'

CARD OF THANKS

The officers and men of A Coy. Calgary Highlanders, wish to thank the I O D E, Mr and Mrs Dr Freeze, Mrs A Butler, Mr H Gill and others for their kind co-operation and help in making the Military Ball a huge success.

M. D. of Harmony Meets.

The regular monthly meeting of the Council of the Municipal District of Harmony 128, was held on Dec. 5th, all members were present, and Reeve Griffin occupied the chair.

The minutes of the previous meeting were read, and on motion of Councillor Mix, same were adopted. Carried

The Secretary presented the regular monthly statement of receipts and expenditures was accepted on motion of Councillor Hagerman. It being made clear that all current borrowings for schools and hospitals, had been paid. Carried

Mr Lawson a representative of the Gestetner Company interviewed the Council, and gave a demonstration of machine No. 26. The council discussed this for a considerable period, and Councillor Matlock moved that this machine be bought for the office. Carried

W Christensen again interviewed the Council re the purchase of section 7-14-24-W-4th, and after due consideration, an offer of \$1,700.00 cash was submitted for this land. The Reeve asked Mr Christensen to retire for an hour so that the Council could discuss this offer. After due discussion Councillor Hopkins moved subject to the approval of the Minister. Car.

A discussion arose in respect to wheat stored in the municipal sheds, and Reeve Griffin suggested that this be left in the hands of Councillor Hopkin seeing that he had previously been appointed as a committee.

Secretary reported that a settlement had been effected in respect to our seizure, re A Wagonburst and H Balde.

A communication was read from Gleichen in respect to a portion of crop due to the landlord, which authority had been given to move from one farm to another. The Council instructed the Secretary, to advise this landlord, that he should take care of the municipal seizure, before any wheat is moved, after which he could make his own arrangements.

Reeve Griffin reported that he had made arrangements with H Jopling re rents etc of old Municipal office.

Secretary reported that the Districts credit balance at the Lands Titles Office was nearly exhausted, and Councillor Mix moved that a cheque as deposit be forwarded to the Registrar in the amount of \$20.00.

Secretary presented a list of accounts for payment, and on motion of Councillor Ellis same were ordered paid.

Secretary read a letter from a Mortgage Company re a Tax Consolidation Agreement, completed recently; and the firm informed the District that they could not sign these agreements. Secretary to ask for return of same.

The next order of business was the appointment of a Returning Officer, as J W Cain resigned after the last election. Councillor Ellis moved that H J Higgins be appointed Returning Officer.

D R O—div 2 P Holm
Poll clerk—div 2 S Fath
Booth—Bow Valley School

D R O—div 6 P Lundgren
Poll Clerk—div 6 E Carlson
Booth—O B Roe's residence

Secretary instructed to make arrangements for the Ball for a General meeting in February.

Next business to be discussed was old delinquent Hail Taxes that are still being carried on the Tax roll, it being pointed out, that the original debtors some had left the country years ago, some have died, and also most of these arrears were on Crown Lands, long since reverted back to the Crown. This was discussed thoroughly, and Councillor Ellis moved that the Secretary arrange for a representative from the Hail Board to meet the council at the next meeting, and try and effect a settlement.

Secretary reported on three Seed Grain accounts that are uncollectable, and on motion of Councillor Hagerman the Secretary was instructed to approach the Government re a settlement on a 50—50 basis.

As there was no further business to discuss a motion to adjourn was moved by Councillor Matlock.

West Leads In Medicine

We were interested to hear from an eastern official of health that steps were being taken to study the municipal doctor system in the west. The mounting hospitalization costs in the cities was bringing the matter to the fore. He stated that he felt that all should be given the necessary medical attention regardless of whether they had the money to pay for it or not. The western idea of having hospitals and municipal doctors appealed to him.

Yes the Municipal District of Harmony, and Carmangay Hospital officials are to be commended for their policy of attention to the health of the people. No matter how strong our army is, if our people are not well our whole cause suffers.

In this connection:—

It is our opinion that by far the most important scientific discoveries made in recent years have been among the vitamins. Speaking generally, we offer the opinion that a man who knows about vitamins need not know about doctors. We were talking to a successful live stock breeder the other day and he said that if his stock was scientifically fed he need never worry about disease among his swine or cattle. They threw off germ invaders to other beasts would succumb.

He also offered the opinion that so far as he was concerned a proper diet was a better protection against the cold than an overcoat. We should know now that to be properly fed something more is needed merely than to load the stomach. In fact a stomach loaded with some foods would be better if half empty. Nor should one confuse the function of vitamins with calories which are simply heat units.

GERMINATION TESTS

Farmers in the prairie provinces will be interested to learn that this Department has decided to offer germination tests of field crop seeds as a free service. In order that the tests may be thoroughly reliable, modern thermostatically controlled germinators are being installed. The equipment has been designed in consultation with officials of the Production Service, Plant Products Division, of the Dominion Department of Agriculture. Reports on samples submitted for testing will include remarks on the presence of weed seeds and general "soundness."

Samples of seed should be taken to the nearest country elevator belonging to any of the line elevator companies associated with the work of this Department. These companies are listed on most of the publications issued from this office.

Sufficient material will be provided by 2-ounce samples, but these must be delivered at the earliest possible date. It is necessary that our laboratory be in full operation by January 1st in order to avoid congestion in March.

In addition to the germination tests, we shall be glad to make growing tests and to report on the purity and suitability of the variety for the district concerned. If the growing test is desired in addition to germination, it is only necessary to inform the local grain buyer.

New Ford Cars-For 1941 Are Larger

ROOMIER bodies and improved riding qualities are combined with smart new appearance in the new Ford cars for 1941. Presented by the Canadian Ford Company in two lines, the De Luxe and the Super De Luxe Fords are built with a longer wheelbase to provide for the longer and broader bodies. Running boards are partially concealed. Seating widths have been increased as much as seven inches and there is greater shoulder and headroom, (left). Much better vision is afforded both driver and passengers as glass areas have been substantially increased, up to 33 per cent increase in coupes. Front ends are restyled as shown in the Super De Luxe Ford above.
